2024-2025

Preface

Al Ain University (AAU) Fact Book is a comprehensive compilation of institutional data that encompasses information on students, faculty, staff, and facilities. Its primary purpose is to serve as a reliable and concise reference for university decision-makers, as well as for external agencies such as the “Ministry of Higher Education and Scientific Research (MOHESR)”, the “Department of Education and Knowledge (ADEK)”, and accreditation committees. The fact book supports planning, reporting, and continuous improvement by providing stakeholders with accurate and accessible information.

Inquiries and comments about the fact book should be directed to the “Quality Assurance and Institutional Research Center-QAIRC” at (quality@aau.ac.ae).
