Ramadan Iftar for the Al Ain University Family

In the esteemed presence of Dr. Noor Al-Deen Atatrah, Vice Chairman of the Board of Trustees of Al Ain University, and Prof. Ghaleb Al-Refae, President of the University, Al Ain University hosted a distinguished Ramadan Iftar for its community across its Al Ain and Abu Dhabi campuses.

This annual tradition reflects the university's unwavering commitment to nurturing positive social cohesion among its leaders and staff, reinforcing the bonds of love, brotherhood, and communication. The Iftar also serves to create an atmosphere of spiritual reflection during the blessed month.

Ramadan Student Iftar Enhances Social Interaction

The Deanship of Student Affairs, in collaboration with the Tolerance Club, organized the annual Student Iftar event at Al Ain University's campuses in Al Ain and Abu Dhabi. This event is one of the most prominent activities that brings together university students in a warm and social atmosphere. The event, held in a special Ramadan setting, saw a large attendance of male and female students from various colleges, as well as participation from several faculty and administrative staff members, adding joy and happiness to the occasion.

A Special Evening of Appreciation and Giving

Al Ain University organized a special celebration on the occasion of Mother's Day and International Women's Day, through an evening entitled "Evening of Appreciation and Giving". The event was held under the organization of the Deanship of Student Affairs, in collaboration with the Tolerance Club, the National Identity Club, and 4 You Medical Center, at the university's campus. The evening witnessed wide participation from female students as well as members of the academic and administrative staff, in an atmosphere filled with warmth and gratitude for the invaluable contributions of mothers and women to society. The program of the evening featured a variety of activities that combined both entertainment and benefit, including engaging competitions for students and entertaining segments.

Al Ain University Enhances Environmental Awareness and Artistic Creativity among Students

As part of its mission to support sustainability and instill environmental values, the Deanship of Student Affairs, in collaboration with the Sustainability Club, the Red Crescent Volunteer Club, and the Tolerance Club, organized the event "Our Environment in Colors" with wide participation

from students, faculty, and administrative staff. This initiative reflected the university's commitment to fostering environmental awareness and enhancing students' creativity by combining educational and recreational activities. The event included the recycling of the agricultural.

Al Ain University Celebrates UAE Education Day

Al Ain University celebrated UAE Education Day at its Al Ain and Abu Dhabi campuses, with a large attendance of students, faculty, and administrative staff. The event, organized by the Deanship of Student Affairs in collaboration with the Tolerance Club, embodied the university's mission to support the national education journey and reaffirmed its commitment to the UAE's vision of building a knowledge-based, innovative society that drives sustainable development. The program featured an interactive panel discussion with the deans of colleges.

Open Day for Special Education and Applied Psychology Programs Introduces Students to Future Career Opportunities

In the presence of the University President, Prof. Ghaleb A. ElRefae, the Vice President for Development and Follow-up, and the Dean of Student Affairs, Prof. Ibtehal Aburezeq, the University of Al Ain organized an Open Day event for the Special Education and Applied Psychology programs at its campus in Al

Ain. The event was attended by 12th-grade students from seven local schools in Al Ain. The goal of the Open Day was to introduce students to the importance of these two programs and their significant role in community service, as well as to showcase the academic and professional opportunities.

Civil Engineering Students Achieve Remarkable Success at the 15th Annual Wooden Bridge Competition in Dubai

Under the supervision of Dr. Layla Amaireh from the College of Engineering, two teams of civil engineering students participated in the 15th Annual Wooden Bridge Competition held at the American University in Dubai. The event was organized by the student chapters of the American Society of Civil Engineers (ASCE) and the American Concrete Institute

(ACI) within the university's Department of Civil Engineering. Competing against 20 teams from various universities across the UAE, the students achieved impressive results in their first-ever participation: 1st Place in the Aesthetic Bridge Category: Awarded to the first team – Ayoub Abu-Ta'ah, Adil Al Zaidi, and Mohammad Al Sharafi.

Workshop to Promote the Values of Giving in the Community

The Student Affairs Deanship at the Abu Dhabi campus, in collaboration with the General Authority of Islamic Affairs and Endowments, organized a virtual lecture titled "Zakat: Development and Sustainability," presented by Professor Suleiman Al-Habash. The lecture addressed the concept of zakat and its significance in Islam, highlighting its rulings, etiquettes, and the categories eligible for its distribution, along with its conditions.

Al Ain University Organizes Ramadan Competition to Strengthen Collaboration Among Employees

On the occasion of the holy month of Ramadan, the Human Resources Unit and the Documentation Office at the Abu Dhabi campus organized a Ramadan competition for all Al Ain University employees, aiming to foster a spirit of cooperation and interaction among employees during this blessed month. The competition included various cultural and religious questions aimed at highlighting the noble values associated with Ramadan, such as tolerance, patience, and charity.

Interactive Activities Promote Reading Culture on the Occasion of World Reading Day

As part of the Month of Reading activities, the Deanship of Student Affairs at Al Ain University – Abu Dhabi Campus organized a book fair to instill a love of reading and spread the culture of reading among students.

The event was held in an inspiring, interactive atmosphere and witnessed a wide attendance of students and faculty members. The activities offered during the event included group reading sessions in which students discussed a selection of books.

The event was met with great interaction and a remarkable turnout, reflecting students' growing interest in developing their reading skills and actively participating in cultural events.

Lecture on Water Management in Arid Areas for Civil Engineering and Water Resources Students

The «Water Resources» course, an essential part of the Civil Engineering curriculum, recently hosted a valuable lecture by Eng. Abeer Abu Ali from ZUBLIN STRABAG UAE on the topic of «Water Management in Arid Areas.» This lecture provided students with an opportunity to gain practical knowledge about sustainable water management solutions, particularly in arid regions like the UAE. The session was initiated by Dr. Omar Najm, the course instructor, who emphasized the importance of linking academic knowledge with industry experience.

Concrete Connections: Civil Engineering Faculty - Students Day

The Civil Engineering program recently hosted an event that reflects the program’s commitment to strengthening relationships between faculty and students. The event was organized by Program Director Dr. Abdullah Sharo, who places special emphasis on fostering open communication and collaboration, bringing faculty and students together for

a day filled with fun and interaction. The event was organized by the ASCE Student Chapter, under the supervision of Eng. Esraa Hijah, the chapter’s academic advisor. It featured a variety of enjoyable activities that encouraged creativity and communication among everyone. One of the highlights was the game “Pictionary,” .

Athletic Achievements of University Students in the ADEK Table Tennis Championship

Under the supervision of the Deanship of Student Affairs at Al Ain Campus, student Marwan Tarek from the College of Communication and Media achieved a remarkable sporting accomplishment by securing second place in the recent ADEK Table Tennis Championship held in Abu Dhabi. This

achievement highlighted his exceptional skills in the sport and his ongoing commitment to developing his abilities in this field. Marwan expressed his happiness with this success, emphasizing that this accomplishment is the result of continuous training and perseverance.

Athletic Excellence of Students at ADEK Championship in Abu Dhabi

Under the supervision of the Deanship of Student Affairs at Al Ain Campus, student Abdulrahman Al-Qabati from the College of Law and student Sami Haddad from the College of Engineering participated in the ADEK Championship held in Abu Dhabi. Abdulrahman excelled by securing first place in the 1500-meter race, in addition to second place in the 800-meter race. Meanwhile, Sami Haddad achieved third place in both the 100-meter and 200-meter races, demonstrating exceptional performance.
